

## **“CLIMEPORT” ACKNOWLEDGED BY THE E.U. AS A “SUCCESSFUL PROJECT”**

- **APV (Valencia Port Authorities) as project leader are congratulated by the head of the MED Programme<sup>1</sup>**

*Valencia, Thursday February 24<sup>th</sup> 2011*

Yesterday afternoon, Wednesday, at the Valencia Port Authorities (APV) offices, there was a visit by the European Commission Envoys, presided by the head of the MED Programme, Fausta Corda (DG Regio EU Commission), of which representatives from Malta, Portugal, Italy, Slovenia and Spain are members. The envoy was received by the Managing Director of APV, Mr. Ramón Gómez-Ferrer and members of his team, who then went on to hold a work meeting.

After a general presentation of Valenciaport by Mr. Gómez-Ferrer, the head technicians of his team in the Climeport project presented the envoy with the latest progress in the project, as well as explaining the next steps scheduled. Mrs. Corda congratulated them and rated the Climeport project as a **“successful project”**.
